

Outcomes

A) Outcomes of initiatives taken by Tariff Commission.

Data base refinement - In the back drop of the constraint of getting product wise information Tariff Commission had taken the initiative with the Ministry of Corporate affairs giving full justification to ensure that the cost audit formats are restored to its earlier format to include product-wise data in respect of production, imports, consumption of raw materials, domestic sales, exports, services rendered/obtained, element-wise cost details including per unit cost etc. in respect of all major sectors of the economy, both in physical as well as value terms. Based on the vital inputs provided by the Commission the Ministry of Corporate Affairs have been able to amend the companies(Cost Records and Audit) Rules, 2014 vide Notification dated 31st December, 2014 to facilitate getting detailed information required for studies conducted by Tariff Commission particularly in respect of Inverted Duty Structure.
