4. Please indicate the information in the following table:

Concession/incentive sought by the industry/company	
Concession/incentive given by the government	
Benefits passed on to the customers/users	

5. Please provide the details of additional investment made by the company/industry:-

Year	Projects* in which investment made	Type of project (Greenfield/Brownfield)	Amount invested (Rs. in crore)
2014-15			
2015-16			
2016-17			
2017-18 (Anticipated)			
2018-19 (Anticipated)			

***Details of investment made in land, building, plant & machinery, technology etc. may be indicated separately for each project.**

6. Increase in production/ manufactured goods :-

Particular	Name of product			
	Quantity produced			
	2014-15	2015-16	2016-17	2017-18(Anticipated)
Quantity (Pl. specify)				
Value (in Rs. crore)				

7. Additional employment generated due to indirect tax incentives extended in the Union Budget

7.1 Additional employment generated attributed to capacity addition:

Total manpower deployed (nos.)				
Type of project	2014-15	2015-16	2016-17	2017-18 (Anticipated)
Greenfield project				
Brownfield project				

7.2 Additional employment generated not attributed to capacity additions such as development of ancillary industry, contract work etc.:

Total manpower deployed (Nos.)				
Type of project	2014-15	2015-16	2016-17	2017-18 (Anticipated)
Greenfield project				
Brownfield project				

8. Increase in exports :-

Particular	2014-15	2015-16	2016-17	2017-18 (Anticipated)
Quantity of export (Pl. specify)				
Value (Rs. in crore)				

9. Increase in infrastructure :-

Particulars	2014-15	2015-16	2016-17	2017-18 (Anticipated)
Type of Infrastructure				
Amount invested (Rs. in crore)				
Benefits derived from Infrastructure				

10. Increase in capacity of Plant & Machinery :-

Particular	2014-15	2015-16	2016-17	2017-18 (Anticipated)
Installed capacity (in MT)				
Capacity utilized				

11. Increase/decrease in the selling prices finished goods :

Name of the product*	Price per unit (in Rs.)							
	2014-15		2015-16		2016-17		2017-18 (Anticipated)	
Year>>>>>	Qty. sold	Sales rate	Qty. sold	Sales rate	Qty. sold	Sales rate	Qty. sold	Sales rate
Product 1								
Product 2								
Product 3								

*Please indicate the name of product and add more lines, if required

12. Statement showing consumption of raw materials required for production of final product (applicable in case where indirect tax incentives have been extended on final product or raw material as the case may be)

Sl. No	Particulars	ITCHS code	Unit of measurement	Per unit consumption	CIF rate		
					2014-15	2015-16	2016-17
	Consumption of imported raw materials/components 1. 2. 3.						
	Consumption of indigenous raw materials/components 1. 2. 3.						

Note: If the indirect tax incentives have been extended on the raw material, please also furnish the information in respect of final product in which the raw material is used.

13. Total Demand/requirement of product during the year 2014-15,2015-16,2016-17 and 2017-18 (Anticipated)

- (i) Domestic
- (ii) Import

14. Please indicate any other positive externalities generated due to of findings of Tariff Commission like development of ancillary industries, development of job work market etc.:

Note: Please attach extra sheet, wherever required

Name and Signature of the authorized officer
